

October 20, 2017

Sompo Holdings, Inc.

Information of Incurred Loss Estimates due to Hurricanes in North America, etc.

We hereby express our sincerest sympathies to all who have affected by the recent natural disasters.

Sompo Holdings, Inc. reports today that the Incurred Loss Estimates of our Group attributable to several natural catastrophes in U.S., Mexico and the Caribbean countries occurred in August and September this year as below.

1. Amounts of Incurred Loss Estimates as of October 20, 2017

Approx. JPY 70 bil (Group total, pre-tax)

(Breakdown)

Hurricane Harvey	approx. JPY 24 bil
Hurricane Irma	approx. JPY 37 bil
Hurricane Maria	approx. JPY 8 bil
Earthquakes in Mexico	approx. JPY 1 bil

The above figures (net of reinsurance and less net loss attributable to non-controlling shareholders, etc.) are based on information currently available, and will be revised in future due to further claim surveys that are currently on going.

2. 2017 Forecast

Our consolidated earnings forecast for the fiscal year ending March 31, 2018 is currently under review. We will immediately announce it if we need to revise.
